3% Water Soluble Magnesium (Mg)	
Sulfur (S)	8%
Iron (Fe)	0.1%
0.1% Chelated Iron (Fe)	

DERIVED FROM

Monopotassium Phosphate, Potassium Nitrate, Potassium Sulfate, Magnesium Sulfate, Iron DTPA

APPLICATION INSTRUCTIONS

May be mixed directly into feed water or mixed in stock tanks for fertigation systems. For every 1 gram of Pro Grow, use 0.6 grams of Pro Core to reach desired EC level. Measure desired amount by weight not by volume. Do not combine with other fertilizers in dry form or concentrate solution. Use warm water to dissolve more quickly. Recommended for hydroponic use only.

CONCENTRATE MIXING

Mix your stock tanks at the same concentration to minimize errors. We recommend 2 lbs per gallon (240 grams per liter). Adjust injection ratio to vary EC.

PRECAUTIONARY STATEMENTS

Hazardous to humans and animals. Causes eye and skin irritation. When mixing and applying wear appropriate protective clothing.

FIRST AID

If this product gets in the eyes, immediately wash the eyes with large amounts of water for at least 15 minutes, lifting the upper and lower lids. Seek immediate medical treatment. If this product gets on the skin, immediately wash the contaminated area. Seek medical attention if skin irritation persists. If this product has been swallowed and the person is conscious, immediately give large volumes of water. Do not induce vomiting. Seek immediate medical attention. The use of fertilizer containing boron (B) on any crops other than those recommended may result in serious injury to the crop. The application of fertilizer material containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals.

STORAGE

Store closed in original packaging at a temperature between 45° F and 85° F. Keep dry to avoid clumping. Two year shelf-life from manufacturer date if stored properly.

Information regarding the contents and levels of metals in this product is available on the Internet at: <https://www.aapfco.org/metals.html>

Granules: 90% of the product has a granular size between 1–4 mm. COMPOUND SOLID INORGANIC MACRONUTRIENT FERTILISER, STRAIGHT SOLID INORGANIC MACRONUTRIENT FERTILISER AND STRAIGHT INORGANIC MICRONUTRIENT FERTILISER

KEEP OUT OF REACH OF CHILDREN AND ANIMALS

WARNING: CAUSES EYE AND SKIN IRRITATION.

Made in the USA from domestic and imported materials.
